

GREASE Summit 2012

Thursday, February 16th, 2012

Registration & Breakfast 8:15am. Class 9:00am – 4:30pm
Executive Hotel & Conference Centre Burnaby
4201 Lougheed Highway, Burnaby, BC V5C 3Y6

A Condensed One-Day Seminar 2012 Marks 19 Years of Grease Summit Seminars conducted by Environmental Biotech

GREASE:

It is the NUMBER ONE cause of sewer backups

THE GREASE SUMMIT

Answers all of your questions in a dynamic, interactive format, Including:

- Grease Trap Design: Myths, facts, and fallacies
- Grease: A universal problem
- Disposal: Who wants it?
- Bylaws The good, the bad, and the ugly
- GRE Standards
- Food Grinders and FOG Convenience vs. Cost
- Biologicals To dose or not to dose
- FOG Waste or Resource

Past Summit Survey Comments:

In my 20 years in this field, I have never had such a terrific class,

I would highly recommend that others in the environmental field consider attending future Summits to share and gain knowledge about this problem.

Interesting to know what other municipalities are doing

Gave me an overall better understanding of the issues around FOG, breakdowns, tools and techniques

Will amend our bylaws to make them more effective using some of the course material

Great overview of a grease management program- it will help me develop my own grease management program

I recommend this Summit to all municipalities.

Good process to provide a forum for industry people to meet and share information. Very interesting, great class

REGISTRATION INCLUDES:

Electronic Course Materials
Breakfast /Lunch & Refreshments

Attendance is recommended for:

- Pretreatment Personnel
- Bylaw Inspectors
- POTW Directors and Supervisors
- Utility Directors and Supervisors
- Waste Water Operators
- Health Department Personnel
- WWTP Engineers
- Provincial and Federal Regulatory Agents
- Food service professionals
- Facilities personnel

If you would like to have your municipality's regulations, enforcement procedures, or grease trap design included in the review discussions, please fax that information to: 778-340-8111 prior to January 31, 2012
